Horrible Histories Special: Wales

Synopsis

Leeks. Saints. Daffodils. Choirs. Harps. At first glance, the history of Wales might seem pretty tame. But in this Horrible History, you'll get the real lowdown - with savage druids, deadly dragons and heaps of nasty bits! This is the history of Wales as you've never heard it before: a terrible tale of Norman invaders, Viking sea-raiders, cruel Celts, miserable miners and battling bards. Find out why druids split humans in half, how the Normans outwitted the Welsh with a lump of ham - and how an angry army of Welsh mums fought off the French once and for all! It's all horribly exciting!

Customer Reviews

My son is 9 and started reading this series two years ago. He loves the illustrations and the stories. They are both educational and entertaining. I would recommend this to any mother of a young boy. Perfect for those 8-12 year old readers.

I bought this little book as a joke for my husbandâ™s 60th birthday and read it through before his birthday. Would I give such a book to a child? Not at all, but then I am not British so maybe I just donâ™t get British humour! Would I have bought this book at all if it wasnâ™t cheap and seemed like a great joke at the time? No, not really, no! But if you have Welsh friends it is great to wind them

up!

Those people who like to learn ALL of a country's history, for those who seem to show an unusual interest in the bloody bits of life. Passive though it may seem, Wales certainly has an... interesting history. Not for the faint of heart!
