Synopsis

The Third Edition of this pathbreaking text expands the principles of client-centered lawyering into areas not explored in previous editions. It newly covers: transactions involving non-profit organizations (Chapter 9); counseling of corporations and loosely structured community action groups (Chapter 21); and the interviewing and counseling of defendants charged with criminal offenses (Chapters 10 and 22).

Customer Reviews

Comprehensive and fills in a lot of holes from law school and other training. Something for everyone here re: client relations.

It pretty ragged, but still readable.

text book, fast shipping, enough said.

This was a late order because another shipper never shipped the product and school begins on Monday. The product arrived timely and in excellent condition. I would order from this shipper again!
