Synopsis

This work reveals many aspects of the historical relationship between Barbados and Carolina, throwing a light on the history and architecture of both places, on the people - both distinguished and notorious - and on the two dialects.

Customer Reviews

I loved reading this book. It contained fascinating unknow facts about how Charleston was populated by the plantation owners from Barbados! They were Englishmen, of course. But to know that the English had so thoroughly settled "the islands" and the reasons as to why they left Barbados to settle in Charleston. Fascinating reading. Fun reading and great photos. It was a real eye opener for me that I really enjoyed. I highly recommend this book.
