The Very Embarrassing Book Of Dad Jokes: Because Your Dad Thinks He's Hilarious

Synopsis

A collection of "side-splitting" jokes collected from dads around the world, all of whom think they are hilarious. Why did the banana go to the doctors? Because he wasn't peeling very well! Proving the age-old maxim that "it's in the way that you tell them," dads have always been renowned for being truly godawful joke tellers. Whether it's telling them at the wrong moment, misremembering the punchline, or it just simply being a terrible joke to begin with, dads are an embarrassment to the whole family when it comes to trying to be funny. This collection is full to the brim with jokes that only dad would dare tell jokes that will make you groan, sigh, and then probably groan again. Dads take great pleasure in these kinds of jokes and some of them are so terrible they blossom into actual ribticklers but don't tell your dad that, it will only encourage him.

This is a great gift for dad's that love to tell bad jokes or need new bad dad joke material. The book is out of the UK so be aware so terms may not translate & some vocabulary may be unfamiliar. The bulk if it translates to an American dad just fine though. Bad funny is bad funny universally.

Filled with laughable, cheesy, corny, and groan-worthy jokes, puns, and observations. Some of them are duds, but most at least rate achuckle. How do you kill a circus? Go for the juggler.

Bought this for my brother for christmas as he's a new dad. My other brother and I thumped through it before hand. It's what you expect, really bad puns and jokes, but the kind of bad jokes that you

can't help but laugh at. Would make for a good book to keep on the coffee table.

My brother-in-law and sister are expecting their first child, and as a joke, my brother-in-law said that he wanted a book of dad jokes. When he opened this christmas day, I thought he would cry. He reads that book like it's the bible and reads it to my sister's belly, preparing their daughter for the dad jokes. I would recommend this to any new father, or anyone with a sense of humor in particular

I got this for my honey (first time Dad) who continued to tell me "Now it's okay for me to tell Dad jokes!" He tells me 5-7 of these daily and has a HUGE smile everytime. He also brought it into work the day after he got it... it got banned from the work place for making people groan too much! It is just a hoot! :)
