The Elements Of Contract Drafting (American Casebook Series)

Synopsis

This book is a practical, brief, to-the-point text covering the fundamental working parts of a contract and how one should be prepared. It provides an overview of the issues and processes involved in drafting contracts and transactional documents. It enables students to analyze the basic structure of contracts and other deal documents and develop the macro and micro techniques used to efficiently create those documents with precision and clarity. It provides the principles necessary for an understanding of the common structures of transactional documents and their provisions that can then be applied to specific transactions. Beyond structural drafting, this book also covers some of the substantive laws that may affect contracts. This book provides a standard structure that is ideal for a two- to three-credit-hour course taught by full-time or adjunct faculty.

Book Information

Series: American Casebook Series

Paperback: 247 pages

Publisher: West Academic Publishing; 4 edition (August 22, 2014)

Language: English

ISBN-10: 1628101938

ISBN-13: 978-1628101935

Product Dimensions: 0.5 x 7.2 x 9.8 inches

Shipping Weight: 1 pounds (View shipping rates and policies)

Average Customer Review: 3.0 out of 5 starsÂ Â See all reviewsÂ (2 customer reviews)

Best Sellers Rank: #361,623 in Books (See Top 100 in Books) #141 inÂ Books > Law > Business > Contracts #731 inÂ Books > Law > Administrative Law #2611 inÂ Books > Textbooks > Law

Customer Reviews

A whole chapter devoted to the basics of English grammar. A section about getting feedback from colleagues, that starts out by letting us know, "It's ok if someone gives you feedback; it doesn't mean you did a bad job!" 60 pages into the book, and I've learned virtually nothing about actually drafting a contract. It's disappointing that law school students are required to spend what little money they already don't have on "textbooks" like these, and even more so that they are published.

An excellent how-to book.
