Sir Fartsalot Hunts The Booger

Synopsis

SIR FARTSALOT is on a quest to defeat a villain most foul! SOMETHING STINKS IN THE KINGDOM OF ARMPIT. King Reginald the Not Very Realistic has had it up to here with his naughty son Prince Harry, whose pranks around the castle have earned him the nickname The Royal Pain. He loosens the tops on all the Royal Pepper Shakers, teases the moat monster, and wants nothing to do with rescuing fair damsels. Even Sir Bedwetter has had quite enough of the prince's Royal Clowning Around! ENTER SIR FARTSALOT--the bravest, boldest, and most, er, potent knight in all the land. He's on a quest to solve the riddle of the Foul West Wind--a ghastly odor that turns up whenever dangers lurking. Harry decides to play the biggest--and BOOGERIEST--prank of all time! He convinces Sir Fartsalot that a Snotty Scoundrel is on the prowl, and that it's up to him to save The Kingdom of Armpit. So Harry, Sir Fartsalot, and their buddy Sir Knotaclew set out on a hilarious quest to come face-to-phlegm with the dreaded Booger, and rid the world of him, Once and for All! Look out for the Booger! It could be right under your nose! (WARNING: This Book May Contain Obnoxious Ogres, Preposterous Princesses, and Things that Only Exist in Your Imagination!)

Customer Reviews

Overall we enjoyed the book. The kids are 6 and 8. They found the topic funny. As other reviewers indicated the book is an odd mix - the subject and events in the book seem for appropriate for

children the word choice and writing style was difficult for them to follow. I frequently had to explain words and why things were phrased oddly. The last chapter could be eliminated. It added nothing.

Okay...I wasn't real sure about this book. It is about Prince Harry & Sir FartsALot go on an adventure. It reminded me of Harry & the Purple Crayon meets Captain Underpants. And it ENCOURAGES the use of the reader's imagination! I actually purchased it for my 8yr old who was asked to read it over the summer. It is full of what we call potty humor(no foul words) in our house, but hey...boys this age are all about farts, boogers and burps! He found the book funny and finished it in less than 2 days. He read some to me and I found that the story line is cute and I couldn't help but be happy that my son found reading fun. If you can get past all the "fart" language and just remember that boys this age (and I don't think they grow out of it) find farting, burping, etc hysterical...these are age appropriate and well written for the age group. My son said 4 stars because it is NOT his "favorite" by Kevin Bolger, but he has a more discriminate taste! LOL. All in all, a great read for kids and adults who like to have fun with kids.

Can Sir Fartsalot--a brave, turnip-eating knight on a quest to solve the mystery of the Foul West Wind--save the kingdom of Armpit? The prankster Prince Harry convinces Sir Fartsalot that they must stop the dreaded Booger before it is too late. Joined by another knight, Sir Knotaclew, the unlikely heroes set out to save the kingdom. This is a silly, entertaining tale of punny wordplay, adventure, magic, and friendship that will have children of all ages snickering as Sir Fartsalot cuts the cheese and relentlessly pursues that Foul West Wind. I bought this for my nephew and he loved it.

My grandson does not enjoy the written word. So when he read this book without being encouraged everyday to do so, we were very excited. After he had read it to his mom it was given to my husband & me. He read it to me on a cruise and had a different voice for each character. Who knew Sir Farty could be so romantic!!!

Especially if you have a "reluctant" reader. The theme intrigues them and makes the idea of "reading all those pages" much more fun and exciting. For mine, it was a great jump start back into chapter books!!!!

My 8 year old boy and I really enjoyed reading this book together. He laughed the whole way

through. It is a good, funny, exciting adventure. If your child likes Shrek, this is a book for him!

It is a well written book for children, mostly boys. I have trouble finding books that will engage my son. While Captain Underpants books do it, they are done in a day. Therefor, he has already read most of everything that interests him. Books in his reading level don't grab his attention. This one had him giggling and exclaiming words of surprise all along. The chapters aren't dauntingly long. This is a good book. It will encourage those reluctant readers. Also, grab the boys that just don't want to read.

My 11 year old Son really loves these and laughs at all the silly toilet humor. I think they're really fun and love that he reads without having to be told. If you don't like toilet humor then these definitely aren't for you. We love it!
