Publisher: Aspen Publishers; Supplement edition (July 26, 2012)
Language: English
ISBN-10: 1454818565
Product Dimensions: 7 x 0.8 x 10 inches
Shipping Weight: 1.4 pounds
Average Customer Review: 4.1 out of 5 stars See all reviews (13 customer reviews)
Best Sellers Rank: #358,402 in Books (See Top 100 in Books) #140 in Books > Law > Business > Contracts #2583 in Books > Textbooks > Law #90412 in Books > Reference

Customer Reviews
If you are having problems understanding contract law, this book really won’t help all that much. All it has is a compilation of laws in it and these laws are not "dumbed down" so 1Ls can understand it better. My prof required it, but I could have gotten this stuff online for a heck of a lot cheaper.

Even if your professor does require this book, all the Restatements, UCC, and CISG are available online. Just type it into Google. I think I used the book once.

It has a little bit of everything from U.C.C. to samples from the Restatements and the C.I.S.G. Not very big and is handy

Clearly anyone buying this is not buying it for fun and laughs. A decent paperback version will serve you well, and you can bend it if you have to cram your bag/briefcase that day.

Wish it had the comments as they would be really helpful but a great supplement to my contracts book (Knapp). A must for my class since we can take it into the final!
This book is a good reference of some basic UCC and Restatement stuff. The only problem is that it cuts out some of the comments and explanations.

Don't really have anything negative to say it is just a rule book, nothing great, but it is what I thought it was.
