# Blue Book Slot Machine Price Guide

## Synopsis

If you're chasing slot machines, you need two things: an identification book and a price guide. Eighteen years of research is presented in this pocket-sized (4" x 7.5") price guide. Data has been obtained from many sources---sales, shows, auctions, collectors and dealers. This fourth edition contains alphabetical listings (by manufacturer) for nearly 2,850 slot machines and payout gambling devices from over 200 manufacturers---from 1893 to 1997. Each entry is accompanied by five prices, from brand new, out-of-the-box to clobbered and barely workable. In addition, nearly every entry includes the machine's known nicknames, date of introduction, rarity and other pertinent comments. This is the 1997-1998 edition. But slot machine values have been so stable the last five years, we don't foresee republishing this book until at least 2003.

## Book Information

Paperback: 384 pages

Publisher: Mead Publishing; 4 edition (December 1, 1996)

ISBN-10: 0934422524

ISBN-13: 978-0934422529

Product Dimensions: 7.7 x 4 x 0.9 inches

Shipping Weight: 9.6 ounces

Average Customer Review: 5.0 out of 5 starsÂ  [See all reviewsÂ \(2 customer reviews\)](#)

Best Sellers Rank: #4,536,463 in Books (See Top 100 in Books) #50 inÂ Books > Humor & Entertainment > Puzzles & Games > Gambling > Slot Machines

## Customer Reviews

This book is fantastic, not just that it gives prices - which might be a few years off, but pre-1988 is collectible into the far future, so it's more relevant to take the book price and factor in the current economy. A lot of slot machines are sold for cash, so creating an accurate blue book is very difficult. This is the closest you can get. BUT --- The most important and best thing about this book, is that it answers all your questions for reference. Every machine you could ever wonder about - and, if you know slots, it's ridiculous how many models, types, and variations just Bally put out. And that doesn't include all the other makers. Info has never really been put out there or organized for a home-owner. It's casino info, so it's not user-friendly. This book is the one that puts it all together. You can slip this in your pocket (a big pocket), and take it to an estate sale, and you'll know exactly what you're looking for, or looking at, etc. Stop being confused on Craglissst. It's priceless, and it's out of print - officially now. It was already, I think, about 10 years old. No one else has access to this

organized info.2nd option - buy it as a collectible, keep it in the plastic. It's definitely a collector-item, invaluable reference guide, and true memorabilia.Investment as a new item in plastic....

Book arrived quickly and in perfect condition, will definitely do business again. Product was accurately described, pleased with purchase and experience.
